The Institute of Biochemistry, Molecular Biology and Biotechnology of the University of Colombo is pleased to announce the:

International Conference on Frontiers in Molecular Life Sciences:

Sailing towards New Horizons

<http://www.ibmbb.lk/conference2009/index.htm>

This will be the first of its kind in Sri Lanka and it expects to attract a wide range of researchers and students working in diverse fields using tools of Molecular Life Sciences.

The main conference will be followed by a Post Conference workshop (19th, 20th and 21st September 2009) on Bioinformatics co-sponsored by the European Molecular Biology Network (EMBnet).

Tentative Conference programme:
